About Me

I am a dedicated high school student at SMA Negeri 3 Pati with a strong commitment to academic excellence and organizational involvement. I currently serve as the Head of the English Association and as the IT Division Coordinator in the student council (OSIS). I possess skills in programming and visual design, and consistently strive to apply these abilities to both individual and team-based initiatives. With a proactive mindset and strong sense of responsibility, I am eager to continue learning and making meaningful contributions.
